

How To Prepare for Registration Day – Creating a Wish List

Prepare for Registration Day by adding classes to your [Wish List](#).

Once registration starts, you can return to your Wish List and enroll in your Wish List activity. The Wish List WILL NOT automatically transfer to your cart. Ensure you select the participant(s) you would like to register in the class before adding the activity to your cart.

1

Create a Regina Recreation Account. Use the [Add Family Member](#) link to add any additional family members to your account.

2

Once your account is created, log in and select [Activities](#). Search for your desired activity – use the filters on the left-hand side of the page to help make your selection.

3

Find the activity you are interested in and select the [+Wish List](#) button to add the class to your Wish List.
