City of Regina | REGINA Infinite Horizons

Accessibility Advisory Committee
2011 Accessibility Forum
Saturday, October 1, 2011
City Hall
Registration Form

The City of Regina's Accessibility Advisory Committee is bringing together interested community members, stakeholders and partners to discuss accessibility issues. We will address: transit (including Paratransit), pedestrian traffic (i.e. sidewalks and curbs), and snow removal. Subject experts will provide information on each topic area and will provide an opportunity for public input into these important issues.

Input received at the Forum will assist us in achieving our vision of becoming an inclusive community. By identifying ways to improve inclusion and accessibility, your input will help people with disabilities to participate more fully as citizens of Regina.
