**LEGEND**  
 - Time Points

**TRAVEL DIRECTION AND BUS TIME POINTS.**

The bold letters A-G on the route are the bus "time points". On the map find the time point nearest you and look for the time point column for the direction you are traveling. Bus direction is shown by the arrow.

You read the bus times from left to right to tell how much time it takes to get from one time point to another. You read down to tell you when the bus reaches that time point.
