

Free Children's Summer Program Registration – Online Registration System

1. From the Recreation Online Homepage, click on Activities and Select Free Children's Summer Program (or search Children's Summer Program in the search option).

2. The first Activity listed will be Free Children's Summer Program (This is the activity that all registrations will be completed through). Following the Free Children's Summer Program Activity, will be a listing of all available locations and dates. These activities are for informational purposes only – as they also indicate how many spots are available for that location and date. We are limiting each child to 2 registrations for the summer. Each registration allows the registrant to attend **two one-week blocks**. If you are interested in additional registrations, you can call the PlayLine at 306-777-7529 and staff can waitlist you for additional sessions. You will be contacted if space permits to attend an additional session.
3. Once you have noted if space is available in the Free Children's Summer Program session you are interested in, click on "Add to Cart" next to the Free Children's Summer Program Activity (top of the list).
