

SNOW ANGELS COMMUNITY GRANT 2022 GRANT GUIDELINES

1. Program Purpose

The City of Regina is inviting submissions from applicants who wish to initiate volunteer-driven residential snow removal programs in their community. Programs must target households where one or more members experience barriers to shoveling snow from their property and who would not otherwise be able to access snow removal services.

Successful applicants will be responsible for creating a volunteer-based snow removal initiative that matches volunteers with residents in need (i.e., people with disabilities, reduced mobility or other barriers, and who cannot afford to pay for snow removal services), and includes the following elements:

- a) Identifying target communities that would benefit from this service
- b) Establishing promotional tools to reach targeted audiences/residents in need
- c) Establishing/providing an intake process for residents in need/target audiences
- d) Identifying a source of labour, such as an existing volunteer base, or a partnership with schools or service organizations (honorariums can be provided to volunteers as incentives)
- e) An approach to administering, marketing, and monitoring the initiative such that City administration will receive performance data at key milestones
- f) Establish accessible neighbourhoods (paths of travel, sidewalks) within the winter months including some or all of the following:
 - i. Snow removal in driveways, sidewalks, and/or pathways around residential properties
 - ii. Snow removal in the parking lane for residents that need parking
 - iii. Assisting in accessing the City's sandbox locations

2. Eligibility Requirements:

To qualify for funding, all the following eligibility conditions must be met:

- a) The applicant must have \$2,000,000 of liability and participants' insurance in place for programs funded through this grant. **A copy of the Insurance Policy must be submitted with the application.** If your organization is a Community Association (Phase I, II or III), the insurance you access through the City will be sufficient.
- b) The applicant must not exclude anyone because of religion, national or ethnic origin, colour, sex, sexual orientation, gender identity or expression, age, or mental or physical disability. This does not preclude those organizations that restrict services to a particular sector of the community for reasons of improving the conditions of disadvantaged individuals or groups according to Section 15 (1) (2) of the Charter of Rights.
- c) The applicant must be considered in good standing by the City of Regina (e.g., no outstanding accounts such as unpaid taxes, utilities, tickets, permits, etc. or outstanding follow-up reports from previous CIGP funding).
- d) The project must be free for people to participate in.
- e) The project must occur in Regina.
