Overview

Background

- The subject property is located within the Windsor Park neighbourhood.
- City Council has agreed in principle to transfer a 1.04 hectare portion of open space at Prince William park from the City of Regina to the Regina Board of Education (RBE) to satisfy a outstanding 1987 agreement.

Proposal

- The City of Regina Real Estate Branch proposes to transfer a portion of land from Prince William park to the RBE.
- This will require the approval from City Council. Since the land is legally dedicated as open space, City Council's approval is required.
- **There are no anticipated changes to the land use.** A joint use agreement between the City and RBE would allow continued public access and programming on the Jack Mackenzie School site.
