## 1601 Bond Street - Portion along Regent Street

### Overview

#### Background
- The subject property is located within the Glen Elm neighbourhood.  
- City Council has agreed in principle to transfer a 0.53 hectare portion of open space at Glen Elm Park from the City of Regina to the Regina Board of Education (RBE) to satisfy an outstanding 1987 agreement.

#### Proposal
- The City of Regina Real Estate Branch proposes to legally close a 3.4 meter wide portion of Regent Street and transfer to the Regina Board of Education. The portion of the closed portion of Bond Street is shown on the attached aerial photo.  
- There would be no impact or changes to the street or sidewalk. Only the landscaped boulevard space would be come part of the adjoining school yard.  
- After closure of the portion of Regent Street and the transfer of land, the school site would include all the land as shown in Appendix A-1.  
- **There are no anticipated changes to the land use.** A joint use agreement between the City and RBE would allow continued public access and programming on the Glen Elm School site.
