Overview	
Proposal	<p>The Applicant proposes to amend the <i>Rosewood Park Concept Plan – Land-use Plan</i>, which affects the Rosewood Park neighbourhood, by redesignating land from Municipal Utility to Flex Area 2.</p> <p>The Applicant proposes to amend the Zoning Bylaw by rezoning the Subject Property from UH – Urban Holding Zone and MH – Mixed High-Rise Zone to RL – Residential Low-Rise Zone, which supports the development of low-rise multi-unit building types.</p> <p>To understand land-use and development types potentially allowable in the RL Zone, please review Part 3C (TC.T2) of Chapter 3 of the City’s Zoning Bylaw: https://open.regina.ca/dataset/bylaw-no-2019-19-the-regina-zoning-bylaw-2019/resource/1798d4b5-948b-4a21-bcf2-f9890d2d8b96</p> <p>The City is not reviewing an application for a proposed development at this time.</p>
Additional Information	<p>The intent of the Applicant is to relocate the storm water management facility to a new location and transition the site to a residential development. The Flex Area 2 designation allows for residential, commercial or mixed-use; however, the proposed zoning (RL Zone) limits development to, primarily, residential and complementary.</p> <p>The location and surrounding land use context is shown on the attached maps. Notably, adjacent lands include: undeveloped land to the north; low-density residential to the west and east; medium-density residential and a daycare facility to the south.</p>
Process	
Review / Decision	<p>Following the public and technical review process, which is currently underway, the Administration will submit a report to the Decision Authority, which will include a summary of the public comments, as well as Administration’s recommendation.</p> <p>The Decision Authority respecting Concept Plan amendments and Zoning Bylaw amendments is the Regina City Council. Applications directed to Council will first be considered by the Regina Planning Commission (RPC) who will then provide a recommendation to Council.</p> <p>Both the RPC and Council meetings are open to the public; therefore, you may attend these meetings and view the deliberation, or speak directly to the RPC or Council. Please refer to the Application Review Process.</p> <p>If you wish to be kept informed about the date and time of these meetings, be sure to give the City your contact information.</p>
