# Overview

## Background
- The subject property is located within the Downtown boundary.
- The property is currently vacant, and a lane exists behind these properties.
- The property is Zoned DCD-D – Downtown Direct Control District and rezoning of the subject property will allow the entire RPS Campus to operate under a single zone (I-Institutional Zone).
- The surrounding uses are Broad Street to the west, RPS Headquarters to the north and east, and commercial development to the south.

## Proposal
- Official Community Plan Amendment: Amendment to the Regina Downtown Neighbourhood Plan (Plan) in order to:
  - Recognize the RPS site as a unique property within the Downtown Neighbourhood.
  - Exempt the RPS site, within the downtown, from the “active use” requirements of the Plan (e.g. ground floor commercial, etc.).
  - Establish landscaping and future land-use requirements applicable to the RPS site.
- Zoning Bylaw: Rezoning of Subject Property from Direct Control District Downtown Zone (DCD-D) to Institutional Zone (I) in order to bring Subject Property into alignment with the rest of the RPS site.
- Lane Closure: Closure of the existing lane (a separate application to dedicate a new lane connecting Broad Street with the remnant portion of the lane [south of Lot 10 is under review]).
- Subdivision: Consolidation of the closed portion of alley (L1) and Lots 5 to 10 Block 288 Plan Old33 with the remainder of the RPS campus to create Parcel C.
