BECOME A SPONSOR

Dear Community Members,

The City of Regina invites local businesses and organizations to support Regina's Indigenous Procurement Business Gathering on September 21, 2026. This event will bring together Indigenous entrepreneurs, community leaders and partners to build connections and support Indigenous economic growth. We invite businesses and organizations to become sponsors of this event and help create meaningful opportunities for Indigenous entrepreneurs to connect, learn and grow.

Indigenous procurement plays an important role in building strong, sustainable communities. Working with Indigenous-owned businesses helps keep revenue in communities, supporting priorities like housing, health and wellness and education. It also creates jobs, develops skills, supports long-term career opportunities and reduces reliance on external funding from various levels of government. Over time, this contributes to generational wealth and stronger community futures.

The City's Indigenous Procurement Policy, approved by City Council on February 8, 2023, reflects this commitment. Developed in response to the Truth and Reconciliation Commission's Call to Action #92, it sets a target of 20% Indigenous procurement spending across all departments.

Sponsoring this event is a meaningful way to support economic reconciliation, strengthen partnerships and contribute to inclusive economic growth.

The City of Regina acknowledges that this event will take place on Treaty 4 Territory, the traditional lands of the Cree, Saulteaux, Dakota, Lakota, and Nakota Peoples and the homeland of the Métis Nation.

We hope you will join us in supporting this important event and advancing Indigenous economic reconciliation in Regina. Thank you for your consideration.

Sincerely,

Kim Krywulak
Corporate Controller
