In July 2021, the City of Regina asked residents for feedback in planning the 2022 Budget. Here is what we heard from the 1,339 residents that participated.

### COVID Impacts

My household has...

- **19.8%** Been negatively impacted financially by this pandemic and I expect this impact to continue over the upcoming year.
- **10.1%** NOT been negatively impacted financially by this pandemic, but I expect things to get worse over the upcoming year.
- **49.9%** NOT been negatively impacted financially by this pandemic, but I expect things to improve in the upcoming year.
- **20.2%** Been negatively impacted financially by this pandemic, but I expect that to continue.

### Top Spending Priorities

- **73%** Maintaining or increasing capital spending
- **67%** Attracting new or supporting existing business
- **48%** Reducing residential property taxes
- **47%** Opportunities to reduce City Spending
- **44%** Initiatives advancing renewable by 2050 goal
- **21%** Increasing current level of City Services
- **10.1%** Reducing commercial property taxes
- **9%** Deferring Capital Spending

### Top new and emerging priorities ranked

1. Economic development incentives
2. Investments in community-based safety and wellness
3. Investments to address homelessness
4. Investments in COVID-19 recovery
5. Infrastructure renewal in Regina core
6. More multi-use pathways
7. Public transit

### Percentage of respondents that ranked each service in their Top 3.

- **ROADS** 10%
- **PUBLIC SAFETY** 20%
- **RECREATION** 30%
- **SNOW CLEARING** 40%
- **PARKS** 50%
- **PUBLIC TRANSIT** 10%

### In finalizing the budget, I would like the City’s decision-making to be based on the following considerations:

- **57%** Maintaining or increasing capital spending
- **55%** Reducing residential property taxes
- **51%** Attracting new or supporting existing business
- **50%** Opportunities to reduce City Spending
- **37%** Initiatives advancing renewable by 2050 goal
- **21%** Increasing current level of City Services
- **11%** Reducing commercial property taxes
- **9%** Deferring Capital Spending
