- MN26-1 Saskatchewan Urban Municipalities Association (SUMA) Resolution:
Advocate for Enhanced Municipal Revenue Tools and Fiscal Fairness

Recommendation

That the City of Regina:

1. In collaboration with SUMA, request the Province of Saskatchewan to consider enabling municipalities to access alternative revenue options including but not limited to new or improved taxation alternatives;
2. Request SUMA to advocate for the Province of Saskatchewan to either collect its own education property tax directly or reinstate a grant to municipalities that compensates for the administrative burden of collection;
3. Request SUMA to advocate for the reinstatement of municipal surcharges for electrical and natural gas revenues from Crown corporations, restoring a vital source of municipal revenue; and
4. Request SUMA to advocate for the Province of Saskatchewan to exempt municipalities from Provincial Sales Tax (PST) on construction projects, thereby reducing costs and supporting infrastructure development.
