Bag or bundle all waste items.

*Or take
it to
SARCAN*

*Or take
it to
SARCAN*

Not sure where to sort it?
Ask the Waste Wizard.

 REGINA

Cart Collection Guidelines

1 Place It

• On collection day, place carts on even ground on the street or in the back alley before 7:30 a.m. Make sure they do not block traffic.

• Arrange the cart so the arrows on the lid point toward the centre of the road or lane.

Remember:

- Keep cart lids closed.
- Do not let your carts overflow.
- Do not place additional waste beside your carts.
- Do not pack carts too tightly.

2 Space It

• Leave at least one metre (three feet) of space around all sides of the cart.

• Watch out for parked cars, power poles, utility boxes, fences, downspouts and garages.

• Ensure the area above the cart is clear, too.

3 Store It

• Roll your empty cart back to a secure location on your property or against your fence after it has been collected.

Missed a Collection?

If your cart was out at 7:30 a.m. and was not collected by the end of the day, report a missed collection online at Regina.ca/ServiceRequest

Place your cart out by 7:30 a.m. the next business day until it has been collected.

Now Accepted at SARCAN
