- Receive payment reminders by email five days prior to your due date.
- Compare up to 24 months of water consumption.
- Opt-in for paperless utility bills.

Convenient Access to your Water/Utility Account

Regina.ca/ebill
Payment Options to Fit Your Needs

City of Regina water/utility customers have the option to pay their bills in monthly installments and automatic payments withdrawn from their bank accounts.

Direct Debit Plan

Never have to worry about remembering your payment due date. Enroll and the City will automatically withdraw the amount owing from your financial institution 15 days after the date of the bill being issued.

Budget Billing

Know your payment in advance. Enroll in this program and make equalized* payments every month. To enroll, you must currently be on the Direct Debit Plan and have at least one consecutive year of billing history.

*Amounts are based on the last 12 months of water, sewer, drainage and recycling fees. Non-service related fees such as application fees or bank service charges will be added to your regular bill amount.
