Terms and Conditions

1. The Applicant's first set of RFID Tags will be issued at the Hauled Wastewater Site, as part of training. Replacement RFID Tags must be requested by filling out the applicable section in this form, once ready they will be issued at 1430 McIntyre St during regular office hours (Monday to Friday; 8 a.m.-12 p.m. and 1 p.m.-4:45 p.m.). No permits or RFID Tags will be issued outside office hours.
2. Each vehicle used for the purpose of hauling wastewater to the Hauled Wastewater Site requires a separate RFID Tag.
3. No vehicle without a valid RFID Tag will be allowed inside the Hauled Wastewater Site.
4. No person shall cause or permit an RFID Tag to be used by another person or vehicle other than the vehicle identified in this application without prior written consent from the City of Regina.
5. The RFID Tag is the property of the City of Regina and shall be returned upon request.
6. The City of Regina may deactivate a RFID tag where the Applicant has neglected or refused to pay any fees assessed pursuant to *The Wastewater and Storm Water Bylaw, 2016, No. 2016-24* or for such other reasons that the City of Regina may deem appropriate.
7. The Applicant and its workers are required to follow safety instructions and signs while using the Hauled Wastewater Site. Visit Regina.ca for safety instructions.
8. The Applicant shall be responsible for all charges and conduct arising from the driver or vehicle associated with such RFID Tag(s).
9. If the Applicant is not incorporated, then the Contact Person shall be responsible for all charges and conduct arising from the driver or vehicle associated with such RFID Tag(s).
10. The Applicant is required to have a City of Regina approved trainer.
11. The Applicant's trainer is required to teach the Applicant's applicable employees the Hauled Wastewater Site rules, before the Applicant's employees are permitted access and use the Hauled Wastewater Site.
12. Failure to comply with applicable City of Regina Bylaws may result in suspension and/or termination from the Hauled Wastewater Site.
13. The City of Regina must pre-approve all industrial/commercial/institutional wastewater before such wastewater is disposed at the Hauled Wastewater Site.
14. Wastewater from industrial/commercial/institutional generators shall not be mixed with wastewater from any other generator.
15. Nothing in this document exempts a person from complying with all applicable provincial or federal legislation or standards.
16. All Hauled Wastewater is subject to inspection, sampling and/or analysis.
17. The Applicant consents to allow the City of Regina to provide analytic information to third parties, where required by law, for determining whether the hauled wastewater can be accepted or not at the Hauled Wastewater Site or when the City of Regina deems necessary for the purpose of ensuring compliance with applicable law.
18. All users acknowledge and understand that they are attending the site at their own risk and freely and fully accept responsibility for the risks, dangers and hazards present which may result in bodily injury or death.
19. The Applicant shall pay for site clean-up resulting from equipment leaks or disposal spills caused by the Applicant or any driver or vehicle associated with this Application.

Site Usage

20. All users of the Hauled Wastewater Site shall adhere to *The Wastewater and Storm Water Bylaw, 2016, No. 2016-24*.
