2023 Water Service Box Vinyl Wrap

Call for Artist

Application Deadline: Tuesday June 27 at 4:00 pm, 2023

Project Completion Deadline: July 29, 2023

The City of Regina is on a path of reconciliation. We begin by acknowledging that we are on traditional lands of the Treaty 4 Territory, a Treaty signed with 35 First Nations across Southern Saskatchewan and parts of Alberta and Manitoba, and the original lands of the Cree, Saulteaux, Dakota, Nakota, Lakota, and the homeland of the Métis.

The City of Regina owes its strength and vibrancy to these lands and the diverse Indigenous Peoples whose ancestors' footsteps have marked this territory as well as those from around the world who continue to be welcomed here and call Regina home.

The City of Regina is looking to receive proposals for diverse and original artwork that will be displayed through a vinyl wrap on water service boxes in City of Regina parks and public spaces.

The City of Regina has over 830 hectares of parks and over 120 km of multi-use pathways. These parks and open spaces across the city provide spaces for residents to enjoy the outdoors all year long. Through this Water Service Box Vinyl Wrap Call for Artist, the City of Regina will display five (5) works of art in parks across the city.

The original designs should resonate with Regina's landscape and should provoke thought about the diversity of people who use the park, as well as natural floral and fauna. The vinyl wraps will both add to the city's diverse and vibrant neighbourhoods through this addition of artwork, as well as deter vandalism.
