PlayEscapes COVID Waiver

To comply with public health requirements and ensure safety for all participants, their families, and City staff, we are continuing to recommend social and physical distancing for your child(ren) while they attend program. Although our staff will encourage a 2-meter distancing between children not from the same household, frequent hand washing and reduced equipment sharing, we cannot guarantee that contact will not happen. Additionally, in situations requiring First Aid, staff will be required to attend to children as needed. Staff will be provided proper Personal Protective Equipment including masks, gloves and eyewear during these situations.

I understand that by sending my child(ren) to the City of Regina’s PlayEscapes program they are at risk of being in less than 2-meter contact with other children and City of Regina staff not of the same household.

I acknowledge that by sending my child(ren) to the City of Regina’s PlayEscapes program I am monitoring my child(ren)’s health daily and will not send them if they are experiencing any COVID-19 symptoms or have been in contact with someone experiencing COVID-19.

**COVID-19 Symptoms**

- new or worsening cough
- shortness of breath or difficulty breathing
- temperature equal to or over 38°C
- feeling feverish
- chills
- fatigue or weakness
- muscle or body aches
- new loss of smell or taste
- headache
- gastrointestinal symptoms (abdominal pain, diarrhea, vomiting)
- feeling very unwell

Children have been more commonly reported to have abdominal symptoms, and skin changes or rashes. Please assess these symptoms daily before sending your child to program.

**In the case of any of these symptoms, please call the HealthLine 811 to access the COVID-19 Self Assessment Tool. Children will not be able to attend program until they do not show any symptoms.**

Please sign and return to staff
