

## APPENDIX A.3 – Projects by Ward

### Ward 3

#### 2024 Construction Projects

##### Roads

###### Dewdney Avenue Corridor Improvement Project

An integral component of the approved Yards Neighbourhood Plan, the Dewdney Avenue Corridor Revitalization Project is a two-year major construction project between Albert Street and Broad Street. Please visit [Regina.ca/dewdney](https://regina.ca/dewdney) for further details on this major project.

- Upgrade of underground watermains, wastewater sewers and stormwater sewers to meet the servicing needs of Yards neighbourhood and surrounding areas.
- Upgrade of surface works within the corridor including sidewalks, curbs, gutters, medians, pavement structure, traffic signals, transit stops, street lighting, and trees.

**Road Renewal** – Full or selected sidewalk, curb and gutter replacement, followed by paving.

- Cameron Street – Wascana Creek to Leopold Crescent
- Robinson Street – College Avenue to 14th Avenue

**Maintenance Pave** – Road surface treatment for smoother safer roads for drivers and cyclists.

- Rae Street – 10th Avenue to Dewdney Avenue

###### Bridge Infrastructure Renewal

- Elphinstone Street over Wascana Creek

##### Traffic

###### Flood Sensors

- Albert Street Underpass at Saskatchewan Drive – Flood Level Sensors

###### Signal Rehabilitation

- Elphinstone Street and 15th Avenue
- Albert Street and 5th Avenue
- Albert Street and 7th Avenue

### **Pedestrian Safety Enhancements**

- 13th Avenue and Cameron Street
- Elphinstone Street and 1st Avenue
