

## APPENDIX A.8 – Projects by Ward

# Ward 8

## 2024 Construction Projects

### Roads

**Road Renewal** – Full or selected sidewalk, curb and gutter replacement, followed by paving.

- Mikkelson Drive – Sneddon Street to Dorothy Street

**Road Rebuild** – The entire road infrastructure including sidewalks, curbs and gutters, catch basins/manholes are removed and replaced. The rebuild also provides opportunity to upgrade and replace aging underground infrastructure.

- Pinkie Road Improvement Project

**Maintenance Pave** – Road surface treatment for smoother safer roads for drivers and cyclists

- Connaught Street – 4th Avenue to McKinley Avenue
- Harlton Bay – Hastings Crescent to Harlton Bay End
- Le Jeune Place – Lyons Street to Le Jeune Place End

### Traffic

#### New Traffic Signals

- Dewdney Avenue & Pinkie Road

#### Pedestrian Safety Enhancements

- 4th Avenue and Horace Street (Pedestrian Corridor)
- Sherwood Drive and Hastings Crescent (Pedestrian Corridor)

#### Permanent Pavement Marking

- 1st Avenue North – McCarthy Boulevard to Lewvan Drive
- Lewvan Drive – Regina Avenue to 11th Avenue
- McCarthy Boulevard – Sherwood Drive to 9th Avenue North
- Mikkelson Drive – Sneddon Street to McCarthy Boulevard

## Water

### Water Network Expansion Project

Construction of a new water pumping station, two water storage reservoirs and an 8.4 kilometre water supply main. These new facilities will ensure the City's water network can support population growth up to 310,000 and be expanded in the future to accommodate 500,000.

- Pumping Station & Reservoirs – 2605 E Redbear Avenue
- Water Supply Main
  - Ring Road (Pasqua Street North to North Storm Channel)
  - North Storm Channel (Ring Road to Fleet Street)
  - Fleet Street (North Storm Channel to Redbear Avenue)
- Please visit [Regina.ca/waterexpansion](http://Regina.ca/waterexpansion) for further details on this major project.

## Wastewater & Drainage

### Southwest Sewer System Upgrade Project

The Southwest Sewer System Upgrade Project is a multi million-dollar, multi-year critical infrastructure upgrade. It is required to reduce the potential of environmental impacts from wastewater being discharged into Wascana Creek, and to reduce the flooding of residents' basements from sewer backups during large storm events.

- Constructing 4.5 kilometres of large diameter sewer line from the McCarthy Boulevard Pumping Station southward to Regina Avenue.
- Separated into five construction contracts with work on the first contract set to begin in A.E. Wilson Park this summer.

### Domestic Sewer Renewal

- 6th Avenue – Courtney Street to Dorothy Street
- 7th Avenue – Courtney Street to Dorothy Street
- 8th Avenue – Courtney Street to Dorothy Street
- Bowman Avenue – Courtney Street to Dorothy Street
- Clarke Street – Dewdney Avenue to 8th Avenue
- Dewdney Avenue – Carlton Street to Donald Street
- Dewdney Avenue – Courtney Street to Dorothy Street
- Dorothy Street – Bowman Avenue to Kelly Avenue

### Cleaning and Inspection

- Large diameter storm trunks on Campbell Street, Minto Street, 4th Avenue, Horace Street and 3rd Avenue

## Parks, Open Space & Recreation

**Tree Planting**

- McCarthy Boulevard – Dewdney Avenue to Brunskill Place

**Recreational Space Upgrades**

- 5215 13th Avenue – Rambler Park, field restoration
- 5325 Dewdney Avenue – Grassick Park, cricket field upgrades
- 1010 McCarthy Boulevard – Rick Hansen Optimist Park, playground rubber safety surfacing repairs
